Dated: 16<sup>th</sup> December 2021

**Subject – Clarification regarding acceptance of questionnaire responses filed beyond the stipulated time for filing of responses in Anti-Dumping Investigation concerning imports of 'Solar Cells Whether or Not Assembled into Modules or Panels' originating in or exported from China PR, Thailand and Vietnam initiated on 15<sup>th</sup> May 2021.**

A number of interested parties have requested the Authority to accept the delayed responses during the oral hearing held on 17<sup>th</sup> November 2021. This clarification is in response to those submissions.

2. The Authority initiated an anti-dumping investigation concerning 'solar cells whether or not assemble into modules or panels' vide an initiation notification dated 15<sup>th</sup> May 2021. The Authority had granted time to file questionnaire responses by 24<sup>th</sup> June 2021. On receipt of request for extension of the said timelines from other interested parties, the Authority did not extend the timeline to file the questionnaire responses. The Authority noted that the Hon'ble High Court of Delhi granted extended time to file responses only to the petitioners<sup>1</sup> before them. A clarification<sup>2</sup> was issued with respect to the same on the DGTR's official website on 24<sup>th</sup> June 2021. Despite the same several parties did not file the response in time.

3. The Authority has decided to consider only those questionnaire responses which were filed within the stipulated time. However, the legal submissions made by all the interested parties who registered and file the same in time has been considered. The status of questionnaire responses (considered/ not considered) by the Authority are mentioned in the Annexure.
