**NOTIFICATION**

**Corrigendum**

Dated 3<sup>rd</sup> March, 2021

**Sub: Final Finding in Countervailing Duty/Anti-subsidy investigation concerning imports of Textured Tempered Glass whether Coated or Uncoated from Malaysia.**

Having regard to the Customs Tariff Act, 1975 as amended from time to time and Customs Tariff (Identification, Assessment and Collection of Countervailing Duty on Subsidized Articles and Determination of Injury) Rules, 1995, as amended from time to time, thereof, the Designated Authority hereby makes the following correction in Final notification issued vide notification No. 06/13/2019-DGTR dated 11<sup>th</sup> December 2020, in respect of subject Anti-Subsidy investigation.

2. The paragraph 254 of the said notification shall be substituted to read as under:

Having regard to the lesser duty rule followed by the Authority, the Authority recommends imposition of definitive countervailing duty equal to the lesser of margin of subsidy and margin of injury for a period of five (5) years, from the date of notification to be issued in this regard by the Central Government, so as to remove the injury to the domestic industry. Since, product under consideration is already attracting anti-dumping duty from Malaysia, the amount of countervailing duty to be imposed is equal to the difference between the quantum of countervailing duty mentioned in Col No.7 below and antidumping duty payable, if any. If the countervailing duty is less than the anti-dumping duty payable, the differential amount would be in the negative and no countervailing duty shall be collected in such case.
