

F.No. 6/22/2018-DGAD
Government of India
Ministry of Commerce & Industry
Department of Commerce
Directorate General of Trade Remedies
Jeevan Tara Building, 4th Floor, 5, Parliament Street
New Delhi – 110001

Dated: 06th March, 2019

To,

The Domestic Industry and Other Interested Parties.

Subject : Anti-subsidy investigation concerning imports of Welded Stainless Steel Pipes And Tubes originating in or exported from China PR and Vietnam.

Sir,

With reference to the subject stated above, I am directed to inform you that interested parties have requested the authority during the Oral Hearing dated 15.02.2019 to conduct PCN to PCN analysis for subsidy margin and injury margin calculation in the subject investigation. The authority has analysed their requests and finds merit in the same. It is observed that the product basket includes following 3 PCNs with different cost structures and therefore, a PCN to PCN comparison seems suitable for the present case:

- a) 200 Series
- b) 300 Series
- c) 400 Series

2. In view of the above, it has been decided to conduct a PCN wise analysis for calculation of subsidy margin and injury margin for the abovesaid 3 PCNs. The domestic industry and other interested parties may file their comments, if any, on the above proposed PCNs latest by 11th March, 2019.

Yours Faithfully,

06/03/19
Shobh Nath
